Application for Type Examination

We would be delighted to carry out your machinery type examination, but first we need some information about your company and your machinery. Please provide the following:

Manufacturer Name:	
Address and post code:	
Contact Person:	
Position:	
Tel. No:	
Email:	
Website:	

Are you applying to **amtri veritas** for UK Type-Examination to the requirements of the Supply of Machinery (Safety) Regulations for UKCA marking?	
Are you applying to **kuiper certificering** for EC Type-Examination to the requirements of the Machinery Directive (2006/42/EC) for CE marking? *Note – While **kuiper certificering** will consider the requirements of the Machinery Regulation (2023/1230) during the examination process, at present we can only offer certification against the Machinery Directive (2006/42/EC). Manufacturers must comply with the requirements of the Machinery Directive until 20th January 2027.*

Application for Type Examination

Name of the machinery:	
Please describe the machine (or range of machines):	
List all company sites of manufacture of the machinery including address details:	
Is this a single machine or a range of machines?	
If a range of machines, please give details on all the machines in the range and explain differences:	
Please give details of additional accessories, if any:	
Can the machinery interface with external IT systems or the internet (directly or indirectly)? If yes, please provide details:	
Does the machinery incorporate any self-evolving behaviour (AI) that affects the safety of the machinery? Please give details:	
If this application is for a refuse collection vehicle, please state whether there are any automatic modes on the lifting device	
If you are not the original manufacturer of the equipment, please provide the name and address of the original manufacturer:	

Which ISO, harmonised and designated standards have been used in the design process?	
Will there be series production of the machine or range of machinery?	
If yes, how will you ensure quality assurance in this process?	
Do you operate a Quality Management System certified to ISO 9001?	
If yes, please state the current certificate number and expiry date.	
Has this machine, or part or all of this range of machines been previously certified by **amtri veritas** or **kuiper certificering**?	
If yes, please provide details:	
For this machinery has a type-examination application been lodged with any other EU Notified Bodies/UK Approved Bodies? If yes, please provide details:	

Please provide any other information that would be helpful in describing your needs:	

Please send us:	A link to the website providing an overview of the product or product range
	The technical file(s) for the machine or range of machines

By submitting this application, I declare that:

- the information provided is true and accurate,
- I am authorised to submit this application as the responsible person on my company's behalf,
- I consent to any necessary transfer of information such as the technical file between **amtri veritas** and **kuiper certificering**,

Application for Type Examination

Completed by (name):	
Position in Company:	
Date:	

Once completed, please email this form to **office@amtriveritas.com**.

When we have reviewed your details, we will prepare a quotation for you.

If you have applied for UK type-examination only, the evaluation of compliance and any certification will be made by **amtri veritas**.

If you have applied for EC type-examination only, the evaluation of compliance and any certification will be made by **kuiper certificering**.

If you have applied for both UK and EC type-examination, the evaluation of compliance and any EC certification will be made by **kuiper certificering**. Any UK certification will be made by **amtri veritas** on the basis of the evaluation conducted by **kuiper certificering**.
